

ANNUAL REPORT

FOR THE ACADEMIC YEAR 2021 – 22

SREE RAMA ENGINEERING COLLEGE

(Approved by AICTE, New Delhi - Affiliated to JNTUA, Ananthapuramu)

An ISO 9001:2015 & ISO 14001:2015 certified Institution

Rami Reddy Nagar, Karakambadi road, Tirupati-517507

SREE RAMA ENGINEERING COLLEGE

(Approved by AICTE, New Delhi - Affiliated to JNTUA, Ananthapuramu)

An ISO 9001:2015 & ISO 14001:2015 certified Institution

Rami Reddy Nagar, Karakambadi road, Tirupati-517507

About the Institute:

Sri Mannem Rami Reddy garu, the founder of Sree Rama Educational Society started SREERAMA ENGINEERING COLLEGE (SRET) with an aim to impart quality education to the student community of backward region of Rayalaseema in the year 2008. His outstanding personality, acumen and magnificent vision have made him a benevolent patron of the institutions. We are very much pleased to introduce ourselves as one of the upcoming Engineering Colleges aspiring to provide high standards of technical education. SRET fosters a vision of educational transformation in keeping pace with the times. It emphasizes a symbiotic relationship among the students, faculty, academic curriculum and industries. The institution offers a holistic approach to technical education, personality development and soft skills.

Sree Rama Engineering College was started with an annual intake of 240 students in 4 branches. At present, the college offers 5 B.Tech programmes and 4 M.Tech. Programmes. The institute offers MBA programme as well. This educational institution aims to provide an academically exhilarating environment allowing the students to enjoy a first class education and social experience.

Vision of the Institute:

Sree Rama Engineering College strives to be one of the best educational institutions in the country by transforming the students into multifaceted individuals with a penchant for academic excellence in the field of Engineering & Management with moral & ethical values and moulding them as empowered citizens to meet the global requirements.

Mission of the Institute:

- To be a student-centric campus with innovative, creative learning by a collaborative approach with all the stakeholders for offering an industry-specific course apart from the regular curriculum.
- To create a conducive environment for students towards research, innovation with state-of-the-art infrastructure facilities.
- To develop global leaders with human & ethical values by continuous mentoring and nurturing them to acquire their dreams

SREE RAMA ENGINEERING COLLEGE

(Approved by AICTE, New Delhi - Affiliated to JNTUA, Ananthapuramu)

An ISO 9001:2015 & ISO 14001:2015 certified Institution

Rami Reddy Nagar, Karakambadi road, Tirupati-517507

GOVERNING BODY MEMBERS

S. No.	Name	Designation
1.	Sri M Ramireddy	Chairman
2.	Sri G Jayaramireddy	Member
3.	Sri M Ramasubba Reddy	Member
4.	Sri M Aravind Kumar Reddy	Member

8.	Dr. K Jayachandra	Member (Principal)

Message from College Management

Sri Mannem Rami Reddy

M.A., H.D.C (Ex-E.C. Member, SVU, Tirupati)

I warmly welcome the young aspiring students to be a part of us while learning, and pass out successfully as valuable citizens. I strongly believe that students from Sree Rama Engineering Colleges will be well-equipped to meet the challenges of the global market place and command an exceptionally big reputation among the employees. I assure that your study here will be a pleasant experience, to be enjoyed and cherished forever.

Sri Mannem Rami Reddy

Sri Mannem Rama Subba Reddy

Secretary, SRET

Sree Rama Engineering Colleges is an institution that aims at the complete development of the student and our staff are hand-picked and trained to ensure that the students are given every possible support in all their endeavours, academic or otherwise. It is a multidisciplinary institution which ensures that the students have ready access to a wide range of academic material.

Sri M. Rama Subba Reddy

Sri Mannem Aravind Kumar Reddy

Director, SRET

Education enables a person to face new challenges, achieve progresses and lead a successful life. I, therefore, would like to encourage all students to acquire right education through right educational institution. I appreciate both the parents and the students for having made a right choice of choosing SREE RAMA ENGINEERING COLLEGES. Education is neither just about academic brilliance nor a consistent return, but an ambience where culture and human skills meet together.

Sri M. Aravind Kumar Reddy

Message from Principal

Dr. K. Jaya Chandra
Principal, SRET

Education enables a person to face new challenges, achieve progresses and lead a successful life. I, therefore, would like to encourage all students to acquire right education through right educational institution. I appreciate both the parents and the students for having made a right choice of choosing Sree Rama Engineering College(SRET). Education at SRET is neither just about academic brilliance nor a consistent return, but an ambience where culture and human skills meet together.

I am delighted to welcome all the students to this world of Education and my best wishes for them to unlock and realize their potential.

K. Jaya Chandra

Annual Report by Principal...

I welcome all of you to the 13th Annual day celebrations of Sree Rama Engineering College

Sri Mannem Rami Reddy garu, the founder of Sree Rama Educational Society started SREE RAMA ENGINEERING COLLEGE with an aim to impart quality education to the student community of backward region of Rayalaseema in the year 2008. His outstanding personality, acumen and magnificent vision have made him a benevolent patron of the institutions. We are very much pleased to introduce ourselves as one of the best Engineering Colleges aspiring to provide high standards of technical education.

Today's celebrations mark our college continuous success in the area of education.

Sree Rama Engineering College serving its farsighted vision and mission, has been imparting the ideals of academic excellence, sense of discipline, high moral and ethical values to their students shaping them into integrated personalities.

The academic year 2021 – 22 has articulated and widely demonstrated our relentless pursuit of achieving excellence, proving our commitment towards the institution. I deem it a privilege to present the annual report of the college for the academic year 2021 – 22.

Programmes offered:

The college offers B.Tech program in Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Artificial Intelligence and Data Science disciplines with annual intake of 525 and M.Tech programmes in Civil Engineering, Computer Science and Engineering, Electronics and Communication Engineering disciplines with annual intake of 84. The college also offers an MBA programme with annual intake of 120.

All programmes offered are approved by AICTE, New Delhi and Affiliated to JNTUA, Ananthapuramu

We are pleased to share that a new branch of Artificial Intelligence and Data Science in the B.Tech programme has been added from the 2021 – 22 academic year with an intake of 60.

Infrastructural facilities:

Well-structured with ICT enabled classrooms and Laboratories are progressively advanced with state-of-art equipment. The college is having Institution Innovation Council (IIC) in association with MHRD, Govt. of India & e-Yantra lab in collaboration with IIT Bombay.

Professional Memberships:

The college has set its own standards by formulating diversified perspectives in academics to reach excellence and perfection of the curriculum. In this regard, to create a professional environment among staff and students, we are associated with professional bodies like CSI, IETE, IEEE, ISET and ISTE student chapters.

- The department of CSE had inaugurated the Computer Society of India (CSI) – a professional body for computer science students and faculty on 24th February 2022.
- The department of ECE & EEE had inaugurated the Institute of Electrical & Electronics Engineers (IEEE) student branch on 31st March 2022.
- The department of CE had inaugurated the Indian Society for Earthquake Technology (ISET) institute membership on 15th February 2022.

Faculty:

Our college has set its own standards in the field of teaching, learning and research which stimulates us in our relentless pursuit of excellence and perfection which in fact, has become a way of life for us.

We have 143 well experienced, ambitious and passionate teaching staff, all of them with postgraduate qualification, 20 faculty with PhD qualification and another 20 faculty are pursuing PhD from different universities.

Library:

Students are provided with a well-equipped library. The library is open from 9:30 AM to 6:00 PM and the issue section open access is available for students. The reference section with 2400 titles and 19419 volumes, handbooks, periodicals, back volumes of periodicals, stock of CDs, audio-visual aids help the faculty and students to refer and collect the best of knowhow. The library subscribes 72 international journals and Magazines. Digital Library with ten computers are loaded with 30260 E-Journals, 26967 E-resources and provided with internet facility. Scholarly research documents are also provided to the students and staff. Online journals are DELNET, J-Gate for Engineering, J-Gate for management, NPTEL SWAYAM video lectures from IIT Madras are available in the digital library.

Patents:

- Dr. A. Muni Sankar published a patent on “Methods and systems for providing integrated solutions to IoT based power grids” dated on 29th October 2021.

Paper Publications:

- Dr. K. Jayachandra, Mechanical properties of the flyash based geo polyner concrete, International Research Journal of Engineering and Technology (IRJET), Vol. 8, Issue No. 12, December 2021.
- Mr. B. Balakrishna Bharath, An Experimental Study and Investigation on Strength Properties of Concrete with Fibres , International Research Journal of Engineering and Technology (IRJET), Vol. 8, Issue No. 12, December 2021.

- Mr. V. Lokesh, An Experimental Investigation On Mechanical And Durable Properties Of High Strength Fiber Reinforced Concrete By Partial Replacement Of Cement With Silica Fume And Fly Ash., International Research Journal of Engineering and Technology (IRJET), Vol. 8, Issue No. 12, December 2021.
- Dr. Jaya Chandra, “an analysis on the susceptibility level of plants to air pollutants through the significance of the air pollution tolerance index”, International journal of innovative research in technology, ISSN: 2349-6002, volume 8, issue 10, March-2022,.
- Mrs. S.Mounica Sowjanya, Mr. B. Balakrishna bharath, “an experimental investigation on strength characteristics of the concrete using the geopolymers”, international research journal of engineering and technology, ISSN: 2395-0072, volume 9 issue 3 march 2022.

Books Published:

A total of 11 books published by our faculty members from various departments

Awards and Recognitions to our institution:

- Our institute is honoured for community services to local areas in recognition to your continuing excellence in society awarded as Indian Glory Awards 2021 at IGA conference 2021 on 11th September 2021.
- Our institute has been recognized for the outstanding contribution towards rendering community services as International Inspiring Community Service Award presented by Central Christian University Malawi, East Africa and Prashas Trust, Hyderabad on 15th December 2021 at Hyderabad.
- Sree Rama Engineering College is selected as winner in category III of **Fit India Movement** on the occasion of national sports day in line with the Honourable Prime Minister's Vision of Healthy and Happy India.

Training & Placements:

Company Name	No. students Selected	Package of Salaries	
1. IBS	2	8.9 L P.A	Highest Package
2. Harman	2	5.5 L PA	
3. IBM	12	4.5 LPA	
4. Capgemini	40	4 LPA	On Average 4 LPA
5. Wipro	25	3.5 LPA	
6. Mphasis	10	3.25 LPA	
7. Tech Mahendra	12	3.25 LPA	
8. HCL	9	4 LPA

13. VVDN	1	4LPA	
14. Mindfree	6	4 LPA	
15. Auropro	4	3.5 LPA	

Total 150 Plus offers 2021-22

Placement cell of SRET had conducted the

- Two weeks training program on Cognitive skills in 7th to 16th July 2021
- Four days training program on soft skills from 28th to 31st July 2021
- Three day training program on aptitude skills from 3rd to 5th February 2022 for ECE & EEE
- One week training program on Programming skills in Python from 3rd to 8th February 2022 for CSE
- One week training program on communication skills in Python from 28th March to 1st April 2022 for II B.Tech students
- A computational skill development programme on Python Programming conducted by Placement Cell in association with Code Thantra for III B.Tech EEE, ECE, ME, CE Students on 30th & 31st May 2022

FDP organized in our institution:

- One week FDP on “Outcome Based Education and NBA Accreditation Process” organized under AICTE Margadarshan Scheme from 27th to 31st July 2021.
- A three day FDP on “ICT tools in teaching learning” organized under AICTE Margadarshan Scheme from 28th to 30th September 2021.
- A one day workshop on “Writing & publishing a Research Paper” under AICTE Margadarshan scheme on 15th December 2021

Training Programmes for students

- A socially initiative awareness and training program on women empowerment organized by DXC technology under ICT academy from 15th to 24th November 2021.
- A One Day Workshop on “Career Awareness & Education Opportunities” for II B.Tech and III B.Tech ECE students on 23rd December 2021
- A National level Workshop on “Recent Trends in VLSI Design” for IV B.Tech & M.Tech students on 28th December 2021
- The department of Civil and Mechanical engineering was conducted a workshop on “How to crack ESS/GATE/PSU?” for B.Tech CE and ME students on 10th January 2022
- The department of CSE has organized a One day workshop on “Joy of Programming” for II B.Tech CSE students on 10th February 2022
- The department of BS&H had conducted a one day workshop on Virtual Labs for I B.Tech students on 21st March 2022
- The ISTE student chapter of SRET has organized a three day workshop on “Interpersonal skills” for III B.Tech CSE students from 25th to 27th April 2022
- The ISTE student chapter of SRET has organized a three day workshop on “Personality development” for III B.Tech CSE students from 28th to 30th April 2022
- The IEEE student chapter of SRET has organized a one week workshop on “Simulation of Electrical systems using MATLAB/Simulink” for III B.Tech EEE students from 25th to 30th April 2022
- The IETE student chapter of SRET has organized a one Day workshop on “VLSI Technology : A Design Perspective” for IV B.Tech ECE on 13th May 2022.

- The IETE student chapter of SRET has organized a one Day workshop on “CMOS VLSI Design Technology: Trends & Challenges” for IV B.Tech ECE on 21st May 2022.

Seminars/Guest Lectures/Expert Lectures conducted for students

- Dr. B. Venkata Ramana, Professor & HOD of CSE department, IIT Tirupati was delivered a talk on Computer Networks on 24th November 2021
- An Expert lecture on “New Trends in Welding for the Aerospace Materials” on 03rd December 2021
- A Guest Lecture on “Non Destructive Testing using Dye Penetrant Test” on 20th December 2021
- The department of ME was organized a Seminar on “Introduction to Neural Networks and its Applications in Mechanical Engineering” for B.Tech Mechanical Engineering students on 24th December 2021
- The department of ECE was organized a Seminar on “Upgrading opportunities Traditionally – Technically with management” for IV B.Tech ECE students on 6th January 2021
- The department of ECE was organized a webinar on “Strategic Thinking & Effective Decision Making” for II B.Tech ECE students on 8th January 2021
- The department of CSE was organized a webinar on Machine Learning for III B.Tech CSE students on 21st January 2022
- The MBA department was organized a certification programme on “Securities Markets” in association with NISM for MBA students from 27th to 31st January 2022
- The department of BS&H has organized a guest lecture on Multiple Integrals for I B.Tech students on 24th February 2022
- The women Empowerment cell of SRET had organized an expert on Women in STEM for II B.Tech students in the occasion on women day celebrations on 8th March 2022.
- The department of BS&H has organized An Expert Lecture On The Importance Of Verbal Communication for I B.Tech ECE, CE & EEE students on 31st March 2022
- The department of BS&H had organized an Expert Lecture on Personality Development and Life Skills to the Technical Students for I B.Tech students on 19th March 2022
- The department of ECE has organized a webinar on How to Crack GATE examination for II B.Tech ECE students on 21st March 2022
- The IEEE student branch of SRET had organized a seminar on Machine Learning for Image Processing Applications by Dr. Rama Krishna Sai Gorthy, Associate Professor of EEE department, IIT Tirupati for III B.Tech ECE students on 31st March 2022.
- The department of Civil engineering was conducted a seminar on “Save Soil” in association with Isha Foundation, Coimbatore on 22nd April 2022
- The department of MBA was organized a seminar on “Awareness of Intellectual Property Rights for the Engineering young minds” on the occasion of World IPR day for III B.Tech ECE students on 26th April 2022.
- The department of BS&H had organized a guest lecture on “Laser and Its Applications” for I B.tech students on 1st April 2022.
- The department of BS&H had organized an Expert lecture on Introduction to Machine Learning for I B.Tech CSE and AI&DS students on 18th May 2022
- The department of ECE had organized a one Day Seminar on “Winding paths to Data Science” for III B.Tech ECE students on 20th May 2022

- The IEEE student branch of SRET had organized an expert lecture on Motor Control for Electric Vehicles for III B.Tech EEE students on 21st May 2022
- The IEEE student branch of SRET had organized a seminar on Entrepreneurship as Career Opportunity for III & IV B.Tech students on 28th May 2022
- The IEEE student branch of SRET had organized a seminar on Process of Innovation & Technology readiness levels for III & IV B.Tech students on 28th May 2022

Competitions organized for students on the occasion of important days:

- The Department of ECE was organized a Project Expo competition for IV B.Tech students on 12th July 2021.
- Students of SRET celebrated Teachers day celebrations on 5th September 2021
- An elocution competition on “My Role Model” on the occasion of Engineers day
- A Painting competition on “Energy Conservation” for all UG & PG students on 14th December 2021
- An Elocution competition on “Importance of Mathematics in Engineering” for all UG & PG students on 22nd December 2021
- A Poster Presentation competition on “Role of Engineers in Agriculture” for all UG & PG students on 23rd December 2021
- The department of ME was organized a poster presentation competition on Socially relevant projects for B.Tech ME students on 11th January 2022
- The ISTE students chapter of SRET had organized a Science Model Expo competition on the occasion of science day celebrations on 28th February 2022.
- The ISTE students chapter of SRET had organized an Essay Writing on role of physics in engineering for UG and PG students on 28th February 2022.
- The ISTE students chapter of SRET had organized a Elocution competition on role of science and technology on nation building for UG and PG students on 28th February 2022.
- The department of CE has conducted a Poster Presentation competition on “Invest in our Planet” for II and III B.Tech students on 22nd April 2022
- The department of BS&H has organized a competition on English Language skills on the occasion of world Book day & English language day for UG and PG students on 23rd April 2022
- The ISTE student chapter has organized a Sree Rama Talent Quiz competition on C-Programming & Core Java for II & III B.Tech CSE students on 21st May 2022

List of Toppers in Academics:

B.Tech. Toppers of 2017 – 2021 passed out batch				
S. No.	Name of the Student	Roll Number	Branch	Percentage
1.	MedurSandeep	184C5A0115	CE	87.01%
2.	I. Mounika	174C1A0530	CSE	86.6%
MBA Toppers of 2019 – 2021 passed out batch				
S. No.	Name of the Student	Roll Number	Branch	Percentage
	M.Charan Teja	194C1E0027	MBA	81.30%
	Burri Prasad	194C1E0002	MBA	80.75%
Semester wise Toppers (2021-22 Academic year)				

S. No.	Name of the Student	Roll Number	Branch	Percentage
IV B.Tech I Semester				
1.	S.Rukmani	194C5A0127	CE	86.21%
2.	D.Roopesh Raju	194C5A0301	ME	86.1%
III B.Tech I Semester				
1.	B.Poornesh kumar	204C5A0302	ME	86%
2.	A.Durga Sai	204C5A0301	ME	85%
II B.Tech I Semester				
1.	T.Dharaneshwar	204C1A05G3	CSE	91.1%
2.	M.Mohan kanda	204C1A0482	ECE	87%
II MBA				
1.	Rashmi Choudary	204C1E0060	MBA	82%
2.	Syed Simrana	204C1E0069	MBA	82%

Student Achievements:

- Ms. K. Amrutha of III B.Tech CSE bearing Roll No. 194C1A0533 won second prize in **Mega Coding Contests** conducted by Covenant Skilling Academy Bangalore and got Rs. 25,000 cash prize.
- Mr. Muni Raju Ajith Kumar of III B.Tech CSE secured First place in **Poster Competition** focusing on **Awareness throughout the pandemic** conducted by Sri Venkateswara Veterinary University of Unnat Bharat Abhiyan, IIT, Delhi.
- Mr. S. Hema Chandra Babu of III B.Tech CE bearing Roll No. 204C5A0112 won First prize in **Poster presentation** organized by department of civil engineering, JNTUA, Pulivendula on 25th & 26th April 2022.
- Mr. G. Sreenadha Reddy of II MBA and Ms. Chaithanya Sravanthi of I MBA got First Prize in **Paper presentation** organized by Narayana Engineering College, Nellore on 12th March 2022.
- Mr. D. Narasimha Poojith, Mr. C. Lokesh Kumar, Mr. R. Yuvaraj Prasad, Mr. Shaik Mahammad, Mr. L. Vinay Kumar of II MBA and Ms. H. Chaithanya Sravanthi of I MBA got first prize in **Add-Zap** organized by Narayana Engineering College, Nellore on 12th March 2022.

Add-on Courses:

- The department of BS&H has organized add-on course on Applications of Quantum Physics for I B.Tech CSE students from 21st to 26th March 2022
- The department of BS&H has organized add-on course on python data structures & data visualization for I B.Tech ECE students from 2nd to 7th March 2022
- The department of EEE has organized add-on course on Machine Learning for III B.Tech EEE students from 23rd to 28th May 2022

Industrial Visits:

- The department of EEE was organized an industrial visit to 220 kV Substation located in Renigunta for II, III and IV B.Tech EEE students on 21st December 2021.
- The Department of Civil engineering was organized Field Visit to Geological Museum in SVU Tirupati for III & IV B.Tech CE students on 30th December 2021
- The department of Mechanical Engineering has conducted a Field Visit to Visweswaraiah Industrial & Technological Museum and Hindustan Aeronautics Limited at Bangalore on 29th & 30th May 2022

NSS Activities:

- An awareness program on Disha App was organized under the supervision of Sri P. Rama Raju, DSP, Disha Police station for girl students and lady faculty members on 13th July 2021.
- Karimari amman temple cleaning at renigunta organized by NSS unit of SRET, under swatch bharath for II B.Tech CSE students on 17th December 2021
- Mr. M. Mahesh Kumar, NSS Programme Officer, IIT Tirupati was delivered a talk on Relevance of social work on students life for students of SRET on 16th December 2021
- SRET had participated in AICTE challenge of “HUM FIT TOH INDIA FIT” on Category 3 for B.Tech & MBA students on 20th December 2021
- Tree Plantation program with NSS volunteers on 21st December 2021
- SRET had celebrated 73rd Republic Day celebrations on 26th January 2022
- The NSS unit of SRET has organized a Pledge to Vote with 182 members on the occasion of National Voters Day celebrations on 25th January 2022.
- The NSS unit of SRET has organized a Rangoli Sajavo - Desh ke naam ek rangoli sajavo in view of Azadi ka Amrutmahostav with 40 members on 12th January 2022.
- The NSS unit of SRET has celebrated National youth day on the occasion of Swami Vivekananda birthday on 12th January 2022.
- SRET had participated in 75 crore surya namaskar in tribute to 75th independence day of India under Azadi ka Amrutmahostav with 1030 members on 11th January 2022
- The NSS unit of SRET has organized Covid Vaccination drive for I B.Tech students on 4th January 2022.
- The NSS unit of SRET has organized a workshop on Swachhta action plan by Dr. Mahendranath chowdary, Chittoor District resource person-MGNCRE, MoE, Gol.
- The NSS unit of SRET has organized a Blood donation camp in association with SVRRGGH, Tirupati on 12th March 2022
- The NSS unit of SRET conducted a special camp program on its Adopted village that is Annaswamypalle from 14th to 20th April 2022
- The NSS unit of SRET conducted a Free Eye checkup and diabetic camp by Vasan eye care hospital & sankalpa multi speciality hospital on 31st March 2022
- The NSS unit of SRET conducted a two day workshop on “Biodiversity conservation in Seshachalam Biosphere reserve” on 07th & 08th April 2022
