

SRET | Date: 18th October 2022

A Report on **Induction Programme**

For I B.Tech. Students in the Academic Year 2022 – 23

Sree Rama Engineering College has organized a one-week induction program for the I B.Tech students (admitted in the academic year 2022 – 23) from 30th September to 17th October 2022. The program was inaugurated with the lighting of the lamp by the Chief Guest Sri Professor O. MOHAMMAD HUSSAIN registrar of SV university. He addressed the parents and students with warm greetings. Professor O. MOHAMMAD HUSSAIN registrar of sv university briefed about the importance of Technical Education and the importance of communication skills for Technical students.

Objective:

The objective of the Induction program is to

- Make the students feel comfortable in their new environment and open them up
- Create awareness of engineering education
- Set a healthy daily routine
- Build a relation between faculty and students and overall personality development
- Impart values and ethics to students

Major Activities:

The list of major activities conducted under the induction program are as

- *Physical activity:* This would involve a daily routine of physical activity games and sports including yoga which will help them to develop team spirit.
- *Career Counseling:* focus on how the individuals manage their journey through life, learning and work (career). This includes career exploration, making career choices, managing career changes, lifelong career development and dealing with other career related issues.
- *Basic Mathematics and Science:* Focus on basic mathematical tools and science concepts that were required to analyze core engineering courses.
- *Creative Arts:* Students would choose one skill related to the arts whether visual arts of performing arts example painting, dancing, music, etc.,.
- *Universal Human Values:* It gets the students to explore themselves and allows them to experience the joy of leaving stand up to peer pressure, take decisions with courage etc.
- *Communication Skills:* Focus on Listening, Speaking, Reading and Writing Skills.
- *Concepts of Programming:* This enables the student, how to think logical and develops the programming knowledge.

Name of the Event: Concepts of Programming

About the Event: Dr. J. Naga Muneiah, Professor Department of CSE, and G. Lakshmikanth, Assistant Professor of CSE are explained about logical thinking and steps to write a program, and developed the knowledge on fundamentals of programming

Name of the Event: Training Program on Communications skills

About the Event: Academic success depends on solid communication skills, beginning with clear oral communication. Students with oral challenges may also become embarrassed if they are unable to communicate on pair with their peers. If a student stutters or mumbles they may become fearful of speaking up in class, and this in turn can lead to lowered grades and diminished self-esteem.

K. Gunvathi, Assitant Professor in English and A. Usha, Assitant Professor in English explained verbal, nonverbal, visual and written communication skills to the students with nice examples.

Name of the Event: Yoga And Meditation

About the Event: The yoga therapy specialist S. AMARNATH was given training to the I.B.Tech students about yoga and meditation in this program students were participated actively.

Name of the Event: Basic Mathematical tools & Science concepts

About the Event: In order to analyze the engineering courses, the students were required to be familiar with the basic concepts of mathematics and science. Hence orientation courses on mathematics were given by Mr. V. Sravan Kumar and bridge course on basic science concepts was given by S. Dhananjaya.

Name of the Event: Department orientation

About the Event: Dr. K. Jaya Chandra, Professor in Civil, Dr. M. Hemaltha, Associate Professor in ECE and Dr. Muni Sankar, Associate Professor in EEE, and Dr. J. Naga muneiah, Professor in CSE, were given clear introduction to their respective departments and importance of studying respective branches and showed their labs and explained briefly.

Name of the Event: Human values & Professional Ethics

About the Event: The Resource person and eminent speaker Sri. SAWMI SUKRITANANDA JI. He has given speech on Human values & Professional Ethics for I.B.Tech students. Basic human values refer to those values which are at the core of being human. The values which are considered basic inherent values in humans include truth, honesty, loyalty, love, peace, etc. because they bring out the fundamental goodness of human beings and society at large. Students were actively participated.

Name of the Event: Physical Activity--Plantation

About the Event: K. Gunvathi, Assitant Professor in English and K. Rajitha, Assitant Professor in Physics were planted the trees with the students and they motivated the students for plantation. They explained the importance of plantation like to create a fresh environment, looks soothe, beautiful appearance, purifies air, reduces stress. Indoor plant best for planting.

Name of the Event: Physical Activity--Sports

About the Event: Physical Director P.Chandra Sekhar directed and guided the students in playing of sports activities like Throw ball, Tenni coit, Kho-Kho for girls and kabaddi, Volley ball, Cricket etc for boys and he told to students about Playing various sports helps them teach life skills such as teamwork, leadership, accountability, patience, and self-confidence and prepares them to face life challenges. Students get a chance to work on their physical and mental abilities to achieve goals in their life.

SREE RAMA ENGINEERING COLLEGE

(Approved by AICTE, New Delhi - Affiliated to JNTUA, Ananthapuramu)
An ISO 9001:2015 & ISO 14001:2015 certified Institution
Rami Reddy Nagar, Karakambadi road, Tirupati-517507

Department of Basic Science & Humanities

Academic Year: 2022 - 23

Schedule of Induction Program for I B.Tech 0 Semester (ECE, EEE & CIVIL)

Date	8:50 AM to 9:40 AM	9:40 AM to 10:30 AM	10:50 AM to 11:40 AM	11:40 AM to 10:30 PM
30-09-2022	Orientation Program			
10-10-2022	Orientation to Induction Programme			
11-10-2022	Concepts of programming			
12-10-2022	Career Counseling			
13-10-2022	Basic Mathematical tools			
14-10-2022	Basic Science concepts			
16-10-2022	Memory skills	Decision making	B R E A K	
17-10-2022	Plantation			
	Study skills	Orientation Program		Physical Education
	Awareness on University Regulations		Yoga and Meditation	
	Communication skills		Universal Human Values	
	Health & Wellness		Basic Mathematical tools	

Name of the Activity	Resource Person
Soft skills training	Dr. Naga Muneiah
Life Skills training	Mr. N. Vasu
Career Counseling	Dr. A. Muni Sankar
Department orientation	Dr. M. Hemalatha
University Regulations	Dr. K. Jaya Chandra
Communication skills	A. Usha

V. S.
Coordinator

Name of the Activity	Resource Person
Yoga & Meditation	S. Amarnath
Memory skills & Decision making	Ashok Kumar
Basic Science Concepts	Dr. M. Reddi Babu
Basic Mathematical tools	Mr. V. Sravan Kumar
Universal Human Values	Sri. Sawmi Sukritananda Ji
Concepts of programming	Dr. J. Naga Muneiah
