

## **SAFETY AND SECURITY MEASURES TAKEN IN THE CAMPUS**

In order to thoroughly ensure the safety of all the inmates of the campus the following measures were taken in the laboratories

- Safety Rules like Do's and Don'ts are displayed in the Laboratory, and instructed for all students.
- Students are supposed to wear shoes and Lab Apron.
- Well trained technical supporting staff members are engaged with students while doing experiments.
- Damaged equipment's are identified and serviced at the earliest.
- Appropriate storage areas are available.
- All power supply lines are properly insulated and covered.
- Fire extinguishers are available on all floors of buildings.

In order to thoroughly ensure the safety of all the inmates of the campus and girl students in particular, CC cameras are installed at almost all the prominent places on campus, corridors etc

**CC Cameras installed in Laboratory**

**CC Cameras installed at the entrance of the College**

**CC Cameras installed at the Main gate**

**MCB' installed for Electric Safety and Insulated Mat Provided**

**Fire Extinguisher and Sand Buckets for Fire Safety**

**Firefighting equipment in Ground Floor**

**Firefighting equipment in First Floor**
