An Awareness Program On Student Grievance Redressal System

Sree Rama Engineering College organised an Awareness Program on "Student Grievance Redressal System" on 22nd February, 2021. A student grievance redressal system is a platform that provides students with a means of expressing their concerns and complaints regarding their educational experience. The primary objective of this system is to ensure that all student complaints are heard, addressed, and resolved in a timely and effective manner. The student grievance redressal system is designed to provide an easy-to-use interface for students to register their complaints and track their progress. The aim of the program was to create awareness among the students how to approach the student grievance cell to express their concerns regarding academic matters, health services, libraries, and other services. It also provides support and resources to students so they can talk about their issues. The student grievance cell will also focus on harassment issues, creating a protective environment for students.

Sree Rama Engineering College Principal, Dr. K. Jayachandra & Grievance Redressal Committee Member, Dr. N. Deepak Kumar explained the importance, objectives and functions of the Student Grievance Redressal System. Also he advised all the students to make use of the Student Grievance Redressal System for any grievances and introduced the grievances committee members to the students. A total of 79 students attended the event.

An Awareness Program On Student Grievance Redressal System

Sree Rama Engineering College has organised an Awareness Program on “**Student Grievance Redressal System**” on 09th December, 2021. Grievance Redressal System is a mechanism commonly used to receive and act on complaints or grievances reported by students/faculty/stakeholders of private or public institutions, enabling prompt actions on any issue raised by them and to avail services more effectively. The aim of the program was to create awareness among the students how to approach the SREC student grievance cell through online grievance portal to express academic matters, health services, libraries, and other services. It also provides support and resources to students so they can talk about their issues. The student grievance cell will also focus on harassment issues, creating a protective environment for students.

Sree Rama Engineering College Principal, Dr. K. Jayachandra & Grievance Redressal Committee Convener, Dr. A. Muni Sankar explained about the online grievance portal mechanism, importance, objectives and functions of the SREC Student Grievance Redressal System. Also he advised all the students to make use of the Online Grievance Portal for any grievances and introduced the grievances committee members to the students. A total of 168 students participated in the event.
