Sree Rama Engineering College was established in 2008 by the Sree Rama Educational Society with the aim to impart value-based quality education to all. The institute was started with an annual intake of 240 students in 4 branches. At present, the college offers 5 B. Tech programmes and 6 M. Tech. programmes. The institute offers MBA programme as well. This educational institution aims to provide an academically exhilarating environment allowing the students to enjoy a first-class education and social experience.

Mr T kataiah, Assistant Professor, Department of CSE, is appointed as Single Point of Contact & Convener for the college. A total of 29 teams have been selected initially from the departments of CSE and ECE and EEE and civil. Initially a department level evaluation has been held from which 29 teams have been short listed for the college level Internal Hackathon. Internal Hackathon has been conducted off-line on 30-09-2024. Dr.CH.SANTHAIAH and Dr.R.NAGENDRA BABU and Dr.N.Deepak Kumar has been invited as the chief guest over for the internal hackathon held on 30-09-2024 in the college campus. He advised the students on the importance of taking part in such great events. He also stressed on improving the problem-solving skills which will enhance the technical skills that are useful in the global competition scenario. His motivation towards the Startup culture and the possibilities of support provided by the Central, State Governments are really helpful to the students.

Our college has appointed the following committee (Table.1) as technical jury members for the internal hackathon held on 30-09-2023. The jury committee consists of members from academician.
