Dear Sir

I would like to extend my heartfelt congratulations to you and your team for achieving the NAAC A grade and subsequently attaining Autonomous status. I am extremely happy to have participated in the first BOS meeting of EEE for the SRET-24 regulation. Upholding the spirit of core branches is a unique driver of satisfaction and success.

During this juncture, I reviewed the course structure and regulations. After considering the positive comments received, I believe that the syllabus is well-designed and market-driven, making it meaningful for the upcoming semesters. From my side, the syllabus is good and eligible for approval.

I wish the entire team all the best as you move forward. Thank you.

Best regards,
